

HAND PROTECTION

Premium-Grade Grain Goatskin Leather Palm Mechanics Style Gloves with an Anti-Shock/Vibration Dampening Palm

DESCRIPTION

These premium goatskin palm gloves feature are reinforced with Anti-Shock/Vibration padding in the palm and finger area. The Anti-Shock/Vibration dampening material helps to lessen vibrations, hand fatigue, and other related injuries. The palm and thumb are reinforced with split cowhide for better gripping and better wear resistance. These gloves also have a reinforced thumb crotch area, a black spandex back, and a hook-and-loop closure for a secure fit. Each pair features a hanging hook between the gloves.
