Cut Resistant, High-Visibility 15-Gauge Tuffalene® Platinum Polyurethane Coated Gloves

DESCRIPTION

This lightweight seamless glove is an outstanding cut-resistant option that features a high-visibility yellow/green 15-gauge Tuffalene® Platinum shell. Our innovative Tuffalene® Platinum offers extra comfort, protection, and durability Free from glass fiber or steel enhancements to achieve this level of cut protection. The shell is enhanced by a black polyurethane dipped palm.

Tuffalene® Platinum gloves offer a cooler, more comfortable user experience and feature puncture resistance comparable to enhanced fibers. Gloves made with Tuffalene® Platinum last longer than enhanced gloves due to the inherent abrasion resistance of the fiber construction.

Because Tuffalene® Platinum gloves are constructed without steel or glass fiber, particles of these fibers do not contaminate other materials during handling.
